

INDEPENDENT AUDITORS' REVIEW REPORT ON INTERIM FINANCIAL INFORMATION TO THE MEMBERS OF ANGLO AMERICAN PLATINUM LIMITED

We have reviewed the accompanying condensed consolidated statement of financial position of Anglo American Platinum Limited as of 30 June 2011 and the related condensed consolidated statements of comprehensive income, changes in equity and cash flows for the six-month period then ended and other explanatory notes ("interim financial information") as set out on pages 10 to 25. The company's directors are responsible for the preparation and presentation of this preliminary financial information in accordance with the International Accounting Standard 34: Interim Financial Reporting and South African Statement of Generally Accepted Accounting Practice, AC 127, with the same title, the South African Statements and Interpretations of Statements of Generally Accepted Accounting Practice (AC 500 Series) and the requirements of the Companies Act of South Africa. Our responsibility is to express a conclusion on this interim financial information based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review on Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial information of Anglo American Platinum Limited for the six months ended 30 June 2011 is not prepared, in all material respects, in accordance with the International Accounting Standard 34: Interim Financial Reporting and South African Statement of Generally Accepted Accounting Practice, AC 127, with the same title, the South African Statements and Interpretations of Statements of Generally Accepted Accounting Practice (AC 500 Series) and the requirements of the Companies Act of South Africa.
